

CALL FOR APPLICATION

Romania > France | Atlas postdoctoral fellowship -2022

Deadline for application : 10 December 2021

The [Fondation Maison des sciences de l'homme](#) (FMSH) and the [Institut français de Roumanie](#) (IFR) offer 2 short-term fellowships of two months in France for young postdoc researchers from Romania who have presented their thesis from 2016.

This research stay is designed to enable researchers to conduct research studies in France: field enquiries, library and archives work.

This call is part of the [Atlas short-term postdoctoral mobility programme](#) offered by the FMSH and its partners.

Financial details

Laureates will receive a total stipend of 3 400 € for the two months (2 instalments of 1 700 € paid at the beginning of each month of stay). This financial contribution is intended to cover expenditure such as transport and accommodation costs.

Laureates will be considered as “Boursier du Gouvernement Français” and will have access to affordable accommodation, social security for the time of their stay and get a financial support to buy bibliographic material.

Laureates will also benefit from free visa and logistical support to organise their stay (possibility to have a workspace, letter for the libraries...).

Eligibility criteria

Nationality/Residence: This program is open to Romania nationals who are affiliated with an institution of higher education and research / institute of research based in the country.

Educational Degree : Applicants must have obtained their PhD doctorate and presented their thesis from 2016.

Theme

: Applicants must be involved in research in social and human sciences .

French host institution: Before submitting their application, applicants will have to find a French research institution to host them for the time of their stay. Applicants will have to provide a letter from the hosting institution addressed to the FMSH and the

IFR expressing the institution's willingness to host the applicant during the time of fellowship and explaining the work conditions offered.

Researcher's obligations

At the end of their stay, laureates will have to provide the FMSH and the IFR with a report presenting the work done during their stay and the benefits for their research project.

Application procedure

Applicants will be required to submit an [online application form](#) and a scientific dossier (research project + appendices). The [online application form](#) will be available on the FMSH website as of 15 September 2021. Completed proposals can be uploaded to the application portal at any time before the application deadline of 10 December 2021, 17:00 (Paris time).

Online application and scientific dossier can be submitted in French or English.

Content of scientific dossier

The research proposal: the research proposal should consist in a short presentation from 10 000 characters to 20 000 characters (spaces and references included) composed with:

1. State of art, problematic, objective and specific aim of the research project, methodology.
2. A bibliography
3. The detailed programme of the research stay (places and institutions to be visited, contacts, workplan).

Appendices :

- A Curriculum vitae (2 pages maximum)
- A list of publications
- A copy of the PhD diploma
- A letter from the director of the research institution in Romania
- A letter of invitation from the director of the host research institution in France expressing the institution's willingness to host the applicant during the time of fellowship and explaining the work conditions they can offer

How to apply?

1. Reach the [online application form](#) and enter «Researcher Workspace».
2. You have to be registered on the online platform in order to use it. If you haven't created an account yet, you will be asked to.
3. Create your profile by filling all your personal information and then enter "create a new application".

4. Select “*Programme Atlas incoming 2022*” and then the specific call « *FMSH-IFR: Roumanie > France*».
5. Fill **all** the information tabs.
6. In the “Documents” final tab, you will need to **upload your research proposal and the appendices into one single PDF document** :
 - Research proposal
 - Curriculum vitae (2 pages maximum)
 - List of publications
 - Copy of the PhD diploma
 - Letter from the director of the research institution in Romania
 - Letter of invitation from the director of the host research institution in France

7. You can save your application and complete it later several times if you wish, until the closure of the call for applications. Once you have submitted your application, you will no longer have the possibility to amend it. Once submitted, you will receive an automatic email confirming the submission. Applications not submitted, incomplete application forms or applications that do not match the above description will not be taken into account.

For any information on the platform or in case of you meet difficulties to use it, please contact fadili@msh-paris.fr

Evaluation process and criteria

A selection committee composed with members of FMSH, IFR, CEREFREA-Villa Noël and independent experts will analyse and proceed to final selection of applications regarding the following criteria:

- The quality of the scientific dossier and the methodology developed
- The relevance of a research stay in France regarding the scientific project and the candidate curricula
- The ability to identify scientific contacts in France

Candidates that have never benefited from the programme will be prioritized.

Candidates will be informed by email of the results in February 2022.
